

Fire Brigade Strike

A further strike by fire-fighters has been announced. This will occur on:

- **Commencing: Wednesday 25th February 2015 at 7.00 am**
- **Ending: Thursday 26th February 2015 at 7.00 am**

This is a 24-Hour Strike

The dispute does not increase the risk to residents since the normal University fire alarm and evacuation arrangements will continue to be in place. The following basic, common sense actions are identified by way of a reminder. Your co-operation is sought in applying them.

Please remind yourself of the information about fire safety in student accommodation which you can find at:

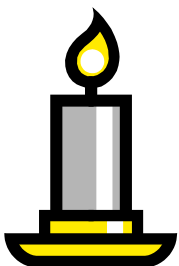

<http://www.nottingham.ac.uk/currentstudents/yourcommunity/firesafety.aspx>

If you discover a fire:

- 1 Raise the alarm using a break glass point unless automatically sounding.
- 2 Contact Security (Int.8888) with specific details.
- 3 Ensure that everyone evacuates the building immediately.
- 4 Close doors on the way out.

Preventing Fires

- 5 Do not use naked flame lamps or candles.
- 6 Ensure all electrical appliances are switched off when not in use.
- 7 Take extra care when using the kitchen. Do not leave microwave ovens, toasters or pans with cooking oil unattended.
