

Nottingham Careers Advisers' and Teachers' Conference
Thursday 25 April 2024, 9am-3:30pm
Monica Partridge Building, University Park Campus

- 9:00am** **Arrival and refreshments**
Registration will take place in the Monica Partridge Building Atrium
- 9:30am** **Welcome and Keynote**
Topical Issues in HE Admissions delivered by Rachel Atkin, Director of Student Recruitment
- 10.15am** Transition to breakout session one
- 10:20am** **Breakout session one, choice of:**
- **Discover Maths and Psychology**
Our Maths and Psychology experts will provide an overview of the courses on offer in their departments. They will discuss the qualities they look for in prospective students and top tips for students applying to their courses.
 - **Understand Foundation Years in the Arts, Sciences and Engineering**
Foundation Years can be a fantastic route if students are unlikely to meet the entry requirements for their desired course. Discover the programmes on offer at the University of Nottingham and their benefits in helping students to prepare for study.
- 11:10am** **Refreshments**
- 11:30am** **Breakout session two, choice of:**
This extended breakout session will be an integrated talk and tour for all groups to experience some of the facilities at the University of Nottingham.
- **Investigate our Physics and Astronomy facilities on a guided tour**
Explore our fantastic Physics and Astronomy facilities
 - **Explore Engineering: Architecture and Architectural Environment Engineering**
Explore the study options available in our faculty of engineering, with a particular focus on our architecture programmes.
 - **Ways to study languages at university**
Dr Rhiannon Harries will discuss the variety of ways students can study a language at the University of Nottingham and the benefits of doing this. This will be followed by a tour of central University Park Campus.
- 12:40am** **Lunch and networking**
- 1.25pm** Transition to afternoon sessions
- 1:30pm** **Keynote address**
Update from UCAS delivered by Ellie Rowley, Fair Access Programme Lead
- 2:10pm** Transition to breakout session three
- 2:15pm** **Breakout session three, choice of:**
- **An insight into Criminology and Sociology**
Understand what your students can expect from studying Criminology and Sociology at the University of Nottingham.
 - **Support students applying to study Medicine and Health Sciences**
Our session on Medicine and Health Sciences will provide guidance on how you can best support your students through the application and interview processes.
