

The following activities are available for your Pre-Access students to prepare them for Higher Education:

"Valuable information and advice – appreciated by students and staff!" Chesterfield College

Introduction to Higher Education	Campus Visit
<p>- 1.5-2hrs. session can be tailored if less time is available</p> <p>Our Outreach Team will give your students a general introduction to higher education. This session will raise aspirations and give students more information about their options and pathways to higher education. The emphasis of the session is to highlight the importance of researching options and making informed choices.</p> <p>We will also provide a general introduction to the principles of finance for higher education. This is to allay initial concerns and introduce the system.</p> <p>It is possible for us to bring current University of Nottingham students who have an Access background to the session if you would like this option. Talking to current HE students gives your students the opportunity to get an honest and realistic picture of university life and the transition from FE to HE.</p>	<p>- 1/2 day.</p> <p>Raising aspirations and introducing the HE environment to your students by a visit to the University. Sessions will be tailored to your needs; a typical programme is shown below...</p> <p>10.00 Arrival, welcome and introduction</p> <p>10.15 Activity: Choose from a variety of sessions such as Introduction to HE, finance, personal statements, study skills etc.</p> <p>11.30 Campus Tour: A guided tour of the University Campus with current students</p> <p>12.30 Lunch: Grab a bite to eat while chatting to some of our current students</p> <p>13.15 Activity: 'We're concerned about...' An open forum for visiting students to address any areas of concern they may have regarding the academic, social and financial side of the university experience. Student ambassadors will answer questions and talk about their own experiences.</p> <p>14.15 Evaluations and close</p>
