University Housing Offer Terms & Conditions

To ensure a fair and efficient allocation of university housing, all applicants must review and agree to the following terms before securing a property.

1. Offer Acceptance Deadline

Housing offers must be accepted within 10 days of issuance.

If no confirmation is received, the property will be offered to the next eligible applicant.

Extensions up to 14 days may be granted in exceptional cases, such as international relocation, visa delays, or logistical issues (subject to approval).

2. Required Move-In Date

Residents must begin their tenancy within 4 weeks of accepting the offer.

If an applicant has an existing rental contract or notice period, a move-in extension up to a maximum of 6 weeks may be granted upon written request with supporting documentation.

Properties will not be held beyond 6 weeks under any circumstances.

3. Eligibility Requirements included on web page

All applicants must have a formal affiliation with the University of Nottingham, such as students, staff, or visiting academics.

All applicants must meet Right to Rent requirements under UK law and provide the necessary documentation before signing the licence agreement.

The university reserves the right to request additional supporting documentation to verify eligibility.

4. Additional Notes

Housing allocations are subject to availability and cannot be transferred to another individual.

The university reserves the right to review and update these terms periodically.

By accepting an offer, applicants agree to the full terms and conditions of the tenancy agreement provided upon acceptance.

For further information or to request an extension, please contact the University Housing Team
