

Thank you

The University of Nottingham

£45,585

Your donations will help bring hope to people affected by heart and circulatory diseases, like Donna.

Together, we can make science fiction a reality.

Donna's story is a powerful reminder of the lifesaving impact of CPR.

In partnership with

£45,585 has been raised through pre loved stock donations
British Heart Foundation is a registered charity in England and Wales (225971).
Scotland (SC039426) and the Isle of Man (1295).
