Disability Support

Accessibility: Support and advice for disabled students

nottingham.ac.uk/go/disability-support
Disability Support
Committed to equality of opportunity for all students

Who do Disability Support work with?
Any applicant or registered student who has a disability and/or long-term medical condition. This includes:
- deafness or hearing impairment
- visual impairment
- physical disabilities
- mobility difficulties
- an autism spectrum disorder/Asperger Syndrome
- mental health difficulties
- a long-term medical condition – for example Chronic Fatigue Syndrome/ME, diabetes, epilepsy or cancer

When can you contact Disability Support?
You can get in touch with us any time if you are:
- an applicant – nottingham.ac.uk/go/applicant-support
- a registered student – nottingham.ac.uk/go/disability-support

How can Disability Support help you?
- Support in making the transition to university
- Liaison with your school or department regarding any impact your condition may have on your studies
- Development of a support plan (Disability Referral Form) with recommendations for reasonable adjustments, including to examinations and assessments
- Access to alternative formats such as Braille and large print
- Advice about residential accommodation – for example, adapted study bedrooms
- Advice about accessible transport around and between campuses
- Applying for Disabled Students' Allowances
- Group work and workshops – nottingham.ac.uk/go/group-workshops
- Recommended teaching support provided by your school – nottingham.ac.uk/go/teaching-support
- Study resources – nottingham.ac.uk/go/studyresources
- Studying effectively – nottingham.ac.uk/studyingeffectively

Where can you find us?
You can meet us in person, and we offer appointments at University Park, Jubilee and Sutton Bonington campuses. We also offer advice by phone, email and video call.

Confidentiality and the evidence you need to provide to us
