

# The student registration journey

This is an outline of the key steps in your student registration journey. In order for a step to be completed, all other steps before it should be complete so it's important to follow the step numbers in the plan below.

! Please note, specific dates relate to students with standard start dates.

! Where timescales are given in days, this refers to working days which exclude Saturday and Sunday.

\* This step will be delayed if module enrolment is not completed properly
