Recycling BDI

Plastic, card, paper and metal (cans) Mixed recycling

All over BDI are Mixed recycle bins, these are for the following

Include:

- Plastic packaging – bottles, food containers, plastic cutlery, bags, cling film and coffee cup lids
- Paper – news papers, magazines and photocopy paper
- Cardboard – including clean items from labs
- Metal – drink, food cans and foil

Do not include:

- Coffee cups (land fill)
- Tissues (land fill)
- Crisp packets (crisp bin) and sweet/chocolate wrappers (land fill)
- Leftover food (food waste caddy)

Please make sure that no liquid and the waste is clean before placing in the bins
