about the scheme

Here at trentbarton we know it's really important to keep the cost of travelling to and from work at a manageable level. That's why we've created our super commuter range of money-saving ticket options to give you savings on bus travel.

We all know that driving to and from work can be a hassle. There's the cost of fuel and parking, not to mention sitting in traffic and finding a parking space when you get there. Your time can be better spent somewhere else.

There is an alternative - catch the bus instead! We run high frequency bus services right across the East Midlands to get you to work quickly and comfortably.
