Your day at the Department of Aerospace Engineering

Wednesday 19 February 2020

Your registration venue is the Engineering and Science Learning Centre, University Park (building 54 on University Park map)

General activities

9am to 12pm  Registration and optional general activities

General activities are optional. They provide a great opportunity to explore University Park Campus, view catered and self-catered accommodation, and take a tour of Nottingham city centre.

You'll need tickets for general activities. You will be able to collect tickets from your registration venue when you arrive on the day.

Only one guest may be able to accompany you for general activities, but there are plenty of places to explore or get a drink if you have brought anyone else with you.

Full timetable available at nottingham.ac.uk/offeringholders

Subject-specific activities

12.30pm  Meet and greet, lunch

A complimentary buffet lunch will be available. Current students and academic staff will be there to chat with you about our courses and study opportunities. Please make your way to the Engineering and Science Learning Centre Foyer (building 54 on University Park map).

1pm  Course talk

In this short talk you will have the opportunity to learn more about the course, placements, facilities and tutor support.

1.30pm  Mini lecture followed by design, make and test activity

You will have chance to take part in a mini-lecture and hands-on activity. Accompanying guests (parents/guardians) will be taken on a tour of the facilities in the department while the activity is taking place.

2.30pm  Tour of teaching facilities and one-to-one meetings

Our current students will take you on a tour of the department. You will have the opportunity to visit our design studios, workshops and other teaching areas as part of the tour.

You will have the chance to meet with an academic member of staff for a one-to-one discussion. It is a good opportunity for you to ask any questions you have about the course and is also a chance for you to talk about your areas of interest.

The Course Director, academic staff and student ambassadors will be available for informal discussions throughout the afternoon.
