Architectural Environment Engineering Offer-holder Day

Wednesday 19 February 2020
Saturday 14 March 2020

Your registration venue is the Engineering and Science Learning Centre, University Park (building 54 on University Park map)

General activities

9am to 12pm  Registration and optional general activities

General activities are optional. They provide a great opportunity to explore University Park Campus, view catered and self-catered accommodation, and take a tour of Nottingham city centre.

You’ll need tickets for all general activities. You will be able to collect tickets from your registration venue when you arrive on the day.

Only one guest may be able to accompany you for general activities, but there are plenty of places to explore or get a drink if you have brought anyone else with you.

Full timetable available at nottingham.ac.uk/offerholders

Subject-specific activities

1pm  Registration for subject-specific activities
Please arrive at room B5 in the Marmont Centre (building 17 on University Park campus map) from 1pm onwards to register for the afternoon’s activities.

1.15pm  Welcome talk and Q&A with current students
A member of academic staff will welcome you to the Department of Architecture and Built Environment and provide you with an introduction to the afternoon. They will also provide an overview of the courses we offer, giving you the opportunity to find out more about course structure, teaching methods, placement opportunities and career prospects.

This will be followed by a Q&A session where you will have chance to ask our current students any questions you have about the course and studying at Nottingham.

Tour of the department
Our current students will take you on a tour of the department. You will have the opportunity to experience our facilities, including laboratories, teaching areas and the unique Creative Energy Homes Project.
Refreshments
Tea and coffee will be available in room B5. Current students and academic staff will be there to chat with you about our courses and study opportunities. You will also have the opportunity to look at some of our current students’ work.

3pm Activity / Q&A session for guests
You will have the opportunity to take part in a hands on activity, working alongside our current students. Accompanying guests (parents/guardians) will have chance to take part in a further Q&A session with a member of academic staff and current student while the activity is taking place.

4pm Final questions
If you have any further questions you would like to ask, academic staff will be available to discuss these with you on a one-to-one basis.

General activities

3.45pm Optional general activities
For final campus tours, catered halls and Broadgate Park viewings please return to your registration venue. Final sports centre tours are available until 4pm. Please make your way directly to David Ross Sports Village.

Getting to the Marmont Centre

Below is a map with the route to the Marmont Centre from the Engineering and Science Learning Centre (ESLC) marked in red.

The Marmont Centre is building number 17 on the map.

1. When leaving the ESLC (54), turn right.

2. You will see the Chemistry building (28) in front of you. To the left of this building is a road. Follow this road until you reach the end.

3. Opposite you will see Cripps North Building (25). At the rear of the carpark you will find a pathway. Follow this up the hill until you reach the main road.

4. Cross the road at the zebra crossing and walk east up Cripps Hill. Keep walking until you see Cripps Health Centre (59) ahead.

5. Just before the health centre, there is a road called Lenton Hall Drive with signs pointing towards The Department of Architecture and Built Environment.

6. Walk down this road until you see a brick path on your right. There will be a sign pointing towards Lenton Firs Building.

7. Once you have passed the Sustainable Research Building on your left, turn left and walk towards the Marmont Café. Student ambassadors will be waiting to greet you.
