Your day at the Department of Architecture and Built Environment

Wednesday 19 February 2020
Wednesday 4 March 2020
Saturday 14 March 2020
Wednesday 1 April 2020

Your registration venue is the Engineering and Science Learning Centre, University Park (building 54 on University Park map)

General activities

9am to 12pm  
Registration and optional general activities

General activities are optional. They provide a great opportunity to explore University Park Campus, view catered and self-catered accommodation, and take a tour of Nottingham city centre.

You'll need tickets for general activities. You will be able to collect tickets from your registration venue when you arrive on the day.

Only one guest may be able to accompany you for general activities, but there are plenty of places to explore or get a drink if you have brought anyone else with you.

Full timetable available at nottingham.ac.uk/offerholders

Subject-specific activities

1.30pm  
Registration for subject-specific activities
Please arrive at the Environmental Education Centre (building 14 on University Park campus map) from 1.30pm onwards to register for the afternoon’s activities. Academic staff and current students will be available to chat to you about our courses and study opportunities.

2pm  
Course talk
You will have the opportunity to learn about the course in greater depth. You will find out about course structure and content, our teaching, and the trips our students can go on as part of their studies. You will also receive further information on the careers our graduates go in to.

2.30pm  
Q&A with current students
You will have chance to ask our current students any questions you have about the course and studying at Nottingham.
Tour of the department
Our current students will take you on a tour of the department. You will have the opportunity to visit our studios, workshops and other teaching areas as part of the tour.

Presentation of current students’ work
Current students will showcase their work, to give you an insight into the different projects our students work on over the course of their studies. There will be an opportunity to see examples of work from year 1, 2 and 3 of the course.

4pm Final questions
You will have the opportunity to ask academic staff and current students any final questions.

General activities

3.45pm Optional general activities
For final campus tours, catered halls and Broadgate Park viewings please return to your registration venue. Final sports centre tours are available until 4pm. Please make your way directly to David Ross Sports Village.

Getting to the Environmental Education Centre

Below is a map with the route to the Environmental Education Centre from the Engineering and Science Learning Centre (ESLC) marked in red.

The Environmental Education Centre is building number 14 on the map.

1. When leaving the ESLC (54), turn right.

2. You will see the Chemistry building (28) in front of you. To the left of this building is a road. Follow this road until you reach the end.

3. Opposite you will see Cripps North Building (25). At the rear of the carpark you will find a pathway. Follow this up the hill until you reach the main road.

4. Cross the road at the zebra crossing and walk east up Cripps Hill. Keep walking until you see Cripps Health Centre (59) ahead.

5. Just before the health centre, there is a road called Lenton Hall Drive with signs pointing towards The Department of Architecture and Built Environment. Walk down this road until you near the end.

6. Turn left when you see signs pointing to The Studio and Paton House. The Environmental Education Centre (14) will be directly in front of you.
