Your day at the School of Life Sciences
Biochemistry and Genetics CC47, CC4R

Wednesday 19 February 2020
Wednesday 04 March 2020

Your registration venue is the Great Hall, Trent Building (Building 11 on the University Park map)

General activities

9am to 12pm Registration and optional general activities

General activities are optional. They provide a great opportunity to explore University Park Campus, view catered and self-catered accommodation, and take a tour of Nottingham city centre.

You'll need tickets for general activities. You will be able to collect tickets from your registration venue when you arrive on the day.

Only one guest may be able to accompany you for general activities, but there are plenty of places to explore or get a drink if you have brought anyone else with you.

Full timetable available at nottingham.ac.uk/offerholders

Subject-specific activities

12.45pm Lunch
An opportunity to have lunch and meet academic staff and current students in the School of Life Sciences. Lunch will be provided in the Life Sciences Building (no 23 on map).

1.20pm Talk on our degree courses and life as a student in Nottingham
Dr. Tom Reader. B3, Life Sciences Building.

Students Only:

2.00pm Tour of Life Sciences Building
Current students will take you on a tour of the School of Life Sciences, answering any queries you may have on the way round regarding the School, your prospective course or on life as a student in general.
2.15pm  **Laboratory Taster Session in A1 - Identifying Bacteria**
Laboratory taster session to give a flavour of practical classes undertaken as part of our first year teaching*. A1, Life Sciences Building.

**Parents/Guardians Only:**

2.00pm  **Q&A session Parents**
Academic members of staff from the School of Life Sciences will be available to answer any queries you may have regarding the course or the University. B3, Life Sciences building.

2.30pm  **Tour of Life Sciences Building**
Current students will take you on a tour of the School of Life Sciences, answering any queries you may have on the way round.

2.45pm  **Tea/Coffee (Life Sciences Foyer)**

**Students and Parents/Guardians:**

3pm  **Biochemistry and Genetics Degree Course Talk**
The earlier talk at 13:30 relates to all degrees taught by the staff of The School of Life Sciences. This talk explains the unique features of the Biochemistry & Genetics degree specifically. B1, Life Sciences Building.

3.30pm  **Close**

* The laboratory taster session will examine live bacteria. All bacteria are Hazard Group 1 which are safe for use by students on the open bench but if you have an immune deficient condition then you will be unable to participate in this activity and should advise us of this as you register on the day. Please bring along a £1 coin to deposit your belongings in the lockers outside the lab before entering the laboratory.

**General activities**

3.45pm  **Optional general activities**
For final campus tours, catered halls and Broadgate Park viewings please return to your registration venue. Final sports centre tours are available until 4pm. Please make your way directly to David Ross Sports Village.

* Please note this event is not for Biochemistry C700, C703; Biochemistry and Molecular Medicine C741, C742 or Biochemistry and Biological Chemistry C720, C721.
