Your day at the School of Biosciences

Environmental Biology C150, C152; Environmental Science F900, F750; International Environmental Science F753; F752

Wednesday 19 February 2020

Your registration venue is the Great Hall, Trent Building (Building 11 on the University Park map)

General activities

9am to 12pm
Registration and optional general activities

General activities are optional. They provide a great opportunity to explore University Park Campus, view catered and self-catered accommodation, and take a tour of Nottingham city centre.

You’ll need tickets for general activities. You will be able to collect tickets and lunch vouchers from your registration venue when you arrive on the day.

Only one guest may be able to accompany you for general activities, but there are plenty of places to explore or get a drink if you have brought anyone else with you.

Full timetable available at nottingham.ac.uk/offerholders

Subject-specific activities

2pm
Subject talk and registration (B02, Engineering and Science Learning Centre)
Experience a taster lecture to see what it is like to study Environmental Sciences at Nottingham.

2.45pm
Meet current students
This is a chance to meet with the Admissions Tutor and fellow applicants for your specific course. You can ask current students any questions you may have. They can tell you about the course, modules and student life at Nottingham.

General activities

3.45pm
Optional general activities
For final campus tours, catered halls and Broadgate Park viewings please return to your registration venue. Final sports centre tours are available until 4pm. Please make your way directly to David Ross Sports Village.
