Foundation Engineering and Physical Sciences Offer-holder Day
Wednesday 18 March 2020

Your registration venue is the Engineering and Science Learning Centre, University Park (building 54 on University Park map)

General activities

9am to 12pm Registration and optional general activities

General activities are optional. They provide a great opportunity to explore University Park Campus, view catered and self-catered accommodation, and take a tour of Nottingham city centre.

You'll need tickets for general activities. You will be able to collect tickets from your registration venue when you arrive on the day.

Only one guest may be able to accompany you for general activities, but there are plenty of places to explore or get a drink if you have brought anyone else with you.

Full timetable available at nottingham.ac.uk/offerholders

Subject-specific activities

12.45pm Registration for subject-specific activities
Please arrive at room B08, Engineering and Science Learning Centre (building 54 on University Park) from 12.45pm onwards to register for the afternoon’s activities.

1pm Course talk and Q&A
Academic staff in the department will provide an introduction to the course, including course structure and curriculum. You will also find about more about the different progression routes available after the Foundation year. Following the talk, you will have the opportunity to ask our current and graduate Foundation students any questions you have about the course and studying at Nottingham.

2pm Faculty tour
Our current students will take you on a tour of the Faculty of Engineering departments, and you will have the opportunity to see some of our facilities. The final stop on the tour will be the Advanced Manufacturing Building on Jubilee Campus (Building 59 on the Jubilee campus map), which is where Foundation Engineering and Physical Sciences students are based.

3pm Refreshments
Tea and coffee will be available in the Advanced Manufacturing Building Foyer. Current students and academic staff will be there to chat with you about our courses and study opportunities.
3.15pm  **Lab demonstrations**
Current students and academic staff will demonstrate and explain lab experiments, demonstrations and project displays. You will have the opportunity to ask questions and speak to current and graduate Foundation students about their university experience.

**General activities**

3.45pm  **Optional campus tour**
For final campus tours, please return to your registration venue.
