9am to 12pm
Registration and optional general activities

General activities are optional. They provide a great opportunity to explore University Park Campus, view catered and self-catered accommodation, and take a tour of Nottingham city centre.

You’ll need tickets for all general activities. You will be able to collect tickets from your registration venue when you arrive on the day.

Only one guest may be able to accompany you for general activities, but there are plenty of places to explore or get a drink if you have brought anyone else with you.

Subject specific activities

Your afternoon programme is structured so that you can attend talks on the subjects you have chosen to study. There will be a session where you can find out more about our new undergraduate curriculum and hear from staff and students about what and how you would study on our history of art courses. You will have the chance to learn about opportunities to develop your art historical interests and gain professional experience alongside your degree. You will also be able to visit *Off the Wall*, an exhibition by our student curatorial group, Crop Up Gallery. If you are attending for a joint honours course, you will also receive information about the English part of your degree.

We will have a refreshment break between sessions in the afternoon where you can grab a hot drink, chat informally to academic staff and current students, and ask any questions you may have.
Our student ambassadors will escort you between venues. School activities will finish at 3.30pm.
