Your day at the Department of Mechanical, Materials and Manufacturing Engineering

Saturday 7 March 2020

Your registration venue is the Engineering and Science Learning Centre, University Park (building 54 on University Park map)

General activities

<table>

<tbody>
<tr>
<td>9am to 12pm</td>
<td>Registration and optional general activities</td>
</tr>
</tbody>
</table>

General activities are optional. They provide a great opportunity to explore University Park Campus, view catered and self-catered accommodation, and take a tour of Nottingham city centre.

You'll need tickets for general activities. You will be able to collect tickets from your registration venue when you arrive on the day.

Only one guest may be able to accompany you for general activities, but there are plenty of places to explore or get a drink if you have brought anyone else with you.

Full timetable available at nottingham.ac.uk/offerholders

Subject-specific activities

<table>
<thead>
<tr>

<tbody>
<tr>
<td>12.30pm</td>
<td>Lunch</td>
</tr>
</tbody>
</table>

A complimentary buffet lunch will be available. Current students and academic staff will be there to chat with you about our courses and study opportunities. Please make your way to the Coates Building reception (entrance 2 to building 36 on University Park campus map).

Course overview
In this short talk you will hear about some of our unique course features and find out more about course content, teaching and career opportunities.

Hands-on activity
You will have the opportunity to take part in a design activity, working with our current students.

Tour of the Department
Our current students will take you on a tour of the department. You will have the opportunity to visit our design studios, workshops and other teaching areas as part of the tour.

One-to-one meeting with an academic
You will have the chance to meet with an academic member of staff in the Department of Mechanical, Materials and Manufacturing Engineering for a one-to-one discussion. It is a good opportunity for you to ask any questions you have about the course and is also a chance for you to talk about your areas of interest.

4.30pm Close
