Your day at the School of Biosciences

Microbiology C501; Plant Science C200; C203

Saturday 22 February 2020

Your registration venue is The Barn, Sutton Bonington Campus (Building 20 on the Sutton Bonington map)

Subject-specific activities

12pm  **Registration and lunch**
Please make your way to The Barn (building 20 on the Sutton Bonington Campus map). Enjoy a relaxed buffet lunch in The Barn Bar with current students, and academic teaching staff.

1pm  **Study abroad and industry placements**
Hear from current students about this experience, and the help provided from the school team.

1.30pm  **Course taster session**
Find out more details about teaching methods, modules and facilities you’ll use on your degree.

3pm  **Student life Q&A session and accommodation tours**
Finish your day with a relaxed drink in the student bar with current students. Hear about student events, societies and sports clubs on campus, and how you can get involved. Take a tour of accommodation options at Sutton Bonington Campus.
