General activities

9am to 12pm  Registration and optional general activities
General activities are optional. They provide a great opportunity to explore University Park Campus, view catered and self-catered accommodation, and take a tour of Nottingham city centre.

You’ll need tickets for general activities. You will be able to collect tickets from your registration venue when you arrive on the day.

Only one guest may be able to accompany you for general activities, but there are plenty of places to explore or get a drink if you have brought anyone else with you.
