Your day at the School of Life Sciences
Neuroscience B140, B141

Wednesday 11 March 2020

Your registration venue is the Trent Building (Building 11 on the University Park map)

General activities

9am to 12pm
Registration and optional general activities

General activities are optional. They provide a great opportunity to explore University Park Campus, view catered and self-catered accommodation, and take a tour of Nottingham city centre.

You’ll need tickets for general activities. You will be able to collect tickets from your registration venue when you arrive on the day.

Only one guest may be able to accompany you for general activities, but there are plenty of places to explore or get a drink if you have brought anyone else with you.

Full timetable available at nottingham.ac.uk/offerholders

Subject-specific activities

12.00pm
Lunch
Have lunch and explore University Park Campus at your leisure. Lunch can be purchased at University catering outlets using the vouchers provided when you arrive.

1.15pm
Welcome Talk
Room LT1, Medical School (building no.46 on University Park Campus map).

An overview of our course - including an in-depth look at the topics covered in the first and second years, assessment methods, and other training. A brief look at the second, third and placement year for the MSci course will also be covered.

1.45pm-3.30pm
Demonstrations
The talk will be followed by staff demonstrations on various aspects of neuroscience research and teaching in the school. This includes themes such as the mechanisms of drug action, neurodegeneration and neurochemistry. You will also have chance to visit some of our facilities.
**General activities**

**Optional general activities**

For final campus tours, catered halls and Broadgate Park viewings please return to your registration venue. Final sports centre tours are available until 4pm. Please make your way directly to David Ross Sports Village.
