Your day at the School of Life Sciences
Science with Foundation Year CGF0, CFG0, CFGZ

Wednesday 19 February 2020
Wednesday 04 March 2020

Your registration venue is the Great Hall, Trent Building (Building 11 on the University Park map)

General activities

9am to 12pm  Registration and optional general activities

General activities are optional. They provide a great opportunity to explore University Park Campus, view catered and self-catered accommodation, and take a tour of Nottingham city centre.

You’ll need tickets for general activities. You will be able to collect tickets from your registration venue when you arrive on the day.

Only one guest may be able to accompany you for general activities, but there are plenty of places to explore or get a drink if you have brought anyone else with you.

Full timetable available at nottingham.ac.uk/offerholders

Subject-specific activities

12.45pm  Lunch within the School

A complimentary buffet lunch will be available in the School of Life Sciences building (building 23 on University Park Campus map). Current students and academic staff will be there to chat with you about our courses and study opportunities.

1.30 pm  Talk; Detailed course information
This is a chance to meet with Course Tutors and fellow applicants for the Science with Foundation Year course. It is a good opportunity to ask any questions you may still have about the course. We will explain what it is like to study Science with Foundation Year at Nottingham and how the course is structured. You’ll also hear about the progression requirements for the undergraduate degree courses. Life Sciences, B39.
Students only:

2pm Life Sciences Tour
Current students will take you on a tour of the School of Life Sciences, answering any queries you may have on the way round regarding the School, your prospective course or on life as a student in general.

2.15pm Laboratory Taster Session in A1 - Identifying Bacteria
Laboratory taster session to give a flavour of practical classes undertaken as part of our first year teaching. Please be aware that the laboratory session will examine live bacteria. All bacteria are Hazard Group 1 which are safe for use by students on the open bench but if you have an immune deficit condition then you will be unable to participate in this activity and should advise us of this as you register on the day. Please bring along a £1 coin to deposit your belongings in the lockers outside the lab before entering the laboratory.

Parents/Guardians Only:

2pm Q+A session Parents
Academic members of staff from the School of Life Sciences will be available to answer any queries you may have regarding the course or the University. B3, Life Sciences Building.

2.30pm Tour of Life Sciences Building
Current students will take you on a tour of the School of Life Sciences, answering any queries you may have on the way round.

2.45pm Tea/Coffee (Life Sciences Foyer)
Refreshments will be available in the Life Sciences foyer.

Students and Parents/Guardians:

3pm Research Showcase in A50
This is another chance to speak to academic members of staff and current students in addition to viewing laboratory demonstrations, A50, Life Sciences Building.

3.30pm Close

General activities

3.45pm Optional general activities
For final campus tours, catered halls and Broadgate Park viewings please return to your registration venue. Final sports centre tours are available until 4pm. Please make your way directly to David Ross Sports Village.
