Explore Nottingham

While you're with us, it's a good idea to explore Nottingham and feel the unique vibe of our city.

Here are some of our top recommendations while you're here:

- Nottingham Contemporary art gallery
- Broadway Cinema
- 200 Degrees coffee shops
- White Rose charity shops
- Lace Market
- Victoria Shopping Centre
- The Cornerhouse

From the University Park Campus South entrance, you can take the tram to Old Market Square (seven stops), or you can take the free hopper bus from University Park Campus or Jubilee Campus to Nottingham railway station.

This is the place where it all begins

Welcome to our world.
A world beyond ordinary.

It's where futures are formed,
and every passion has its place.
Where you'll find your purpose
and carve out your path.

Find your Nottingham, take
the questionnaire now:

Build your micro prospectus

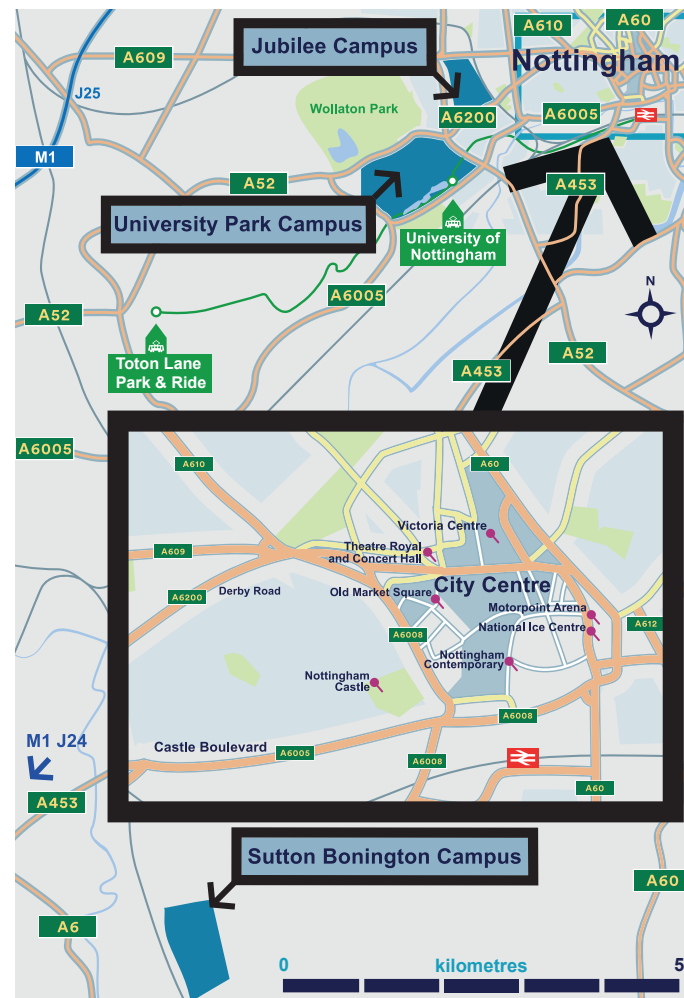

Nottingham has long been home to the trailblazer and the pioneer, always stepping up and doing things differently.

So, we created the micro prospectus – jam-packed with info and inspiration at a fraction of the size and environmental impact compared to a traditional printed prospectus.

Our prospectus may be tiny, but it's making a big difference. Here's how to use it.

- 1 Pick up a micro prospectus from an arrival and information point or a subject stand
- 2 Choose the tags you're interested in from our subject and activity stands
- 3 Attach them to your micro and scan the QR codes to discover more

Tailor your Nottingham journey.
Save the planet.
