Welcome

We're looking forward to meeting you

Welcome to the University of Nottingham. Our students, academics and support staff are here to help you discover what life as a student is like on our outstanding campuses. This programme will help you plan your day and get the most out of your visit.

There are lots of talks and activities for you to engage in, both subject-specific and more general.

Make sure you explore the beautiful campuses and the vibrant city.

Parents and supporters

As a parent or supporter, find out from staff and students how Nottingham will provide for your young person's well-being, security and success.

On the day, make sure you collect:

- ✓ a map
- ✓ a parents' guide
- ✓ a finance guide
- ✓ subject brochures
(you can collect these from the department you're interested in)

Plan your day

Before the day

Plan your trip.

Use the information on pages 6 and 7 to help. We encourage you to use public transport, such as Nottingham's tram network.

Extend your visit and spend a weekend in the city.

Stay at one of our two hotels on University Park or Jubilee Campuses. Find out more: devere.co.uk/destinations

Find the subjects you're interested in using the talks and activities listings on pages 19-39. Check what talks and activities are happening on each of our campuses.

Have a safe trip home.

Explore our campuses and find the most interesting spots (pages 16 and 17). Make the most of our free shuttle bus services too (pages 8 and 9).

Please email us with any further questions or feedback.

Download our MyNottingham App.

Select the activities you're interested in and create your personal schedule in advance. Check that you have enough time to get from one activity or campus to another, and navigate your way around the campuses on the day.

See what general activities you can fit in around your subject talks.

- attend a welcome presentation
- take a campus tour
- view accommodation (see pages 10 and 11)
- tour the David Ross Sports Village
- visit the Student Experience Exhibition and Students' Union (pages 14 and 15)
- see the city (pages 12 and 13)

On the open day

Print out or save your QR code.

If you pre-booked your place, you'll receive an email with a QR code a few days before the event. Keep your code ready to register quickly on the day.

Come prepared.

Bring your water bottle to refill at water stations. Remember your hot cup too - we charge a 20p levy on disposable hot drink cups but you can save 20p on a hot drink if you use a refillable cup.

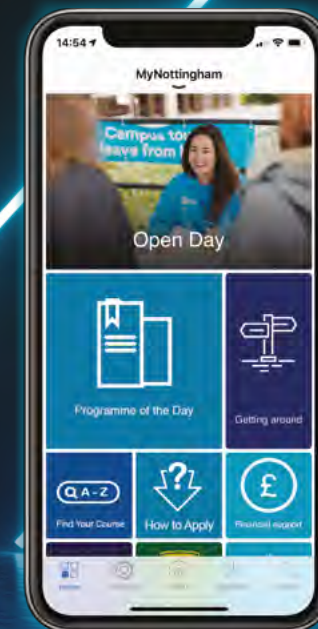

Please also wear comfortable shoes.

If travelling by car, there is free parking on University Park and Sutton Bonington Campuses. There is blue badge parking and limited pay and display parking on Jubilee Campus.

Make your way to an information point, show your QR code to register and collect a free tote bag. You can register at any time throughout the day. Information points are marked on the Open Day Event Map.

Take time to talk to our student ambassadors – they'll be in blue t-shirts and will be happy to tell you all about student life at Nottingham.

Download our free open day app

- Create your own schedule

Travelling to Nottingham

By train

- For **University Park and Jubilee Campuses**, book a train to **Nottingham railway station**.
- For **Sutton Bonington Campus**, book a train to **Loughborough railway station**.

Staff and students in blue t-shirts will be at both train stations to direct you towards the free shuttle buses to the campuses. See pages 8 and 9 for times.

From Nottingham railway station, you can also take the Toton Lane tram to reach University Park Campus South entrance.

By park and ride

Tram

The University area of the city is easy to reach using the Nottingham tram network and this can help you avoid traffic queues on the day. Toton Lane park and ride is close to the M1 and the tram runs directly to University Park Campus. Alight at 'University of Nottingham'.

You can purchase a group ticket for £5 for unlimited city travel as well, or return tram travel costs just £2 with an 'event ticket'. Have your open day booking confirmation ready for checking on board the tram as proof that you will be attending this event.

By car to University Park and Jubilee Campuses

Due to parking restrictions, all visitors to **University Park and Jubilee Campuses** should travel to **University Park Campus**.

Car parking

Free parking (including parking for blue badge holders), is available at University Park Campus. Blue badge holders are also able to park at Jubilee Campus, which is very close to University Park. Free shuttle buses run between these two campuses all day, and it is only a 15-minute walk between them. When you arrive on campus, security staff will direct you to the nearest available parking.

For designated blue badge car parking, please ask our security staff on arrival and they will direct you.

University Park West Entrance: NG7 2QE

For visitors interested in arts, law and social science subjects

University Park North Entrance: NG7 2QB

For visitors interested in science, engineering, medicine and health sciences subjects

By car to Sutton Bonington Campus

If you're travelling by car, you can make your way directly to **Sutton Bonington Campus** where **free car parking is available**.

Sutton Bonington Campus: LE12 5RD

Registration at Sutton Bonington Campus

On arrival, please make your way to an information point (please see Open Day Event Map for locations).

For further details about how to reach our campuses, visit nottingham.ac.uk/about/visitorinformation

Free shuttle buses are available from Nottingham city centre and from campus to campus on the day. See the next page for full details.

Accommodation

Your halls, your options

Which location is your perfect match?

Across all three campuses, we have accommodation options either on campus, or in the surrounding area.

When making your decision, think about which campus you will be studying at, whether you want catered or self-catered accommodation, and then narrow down your search by taking the time to visit the different halls.

You might want to live closer to the sports centre, nearer to the buildings in which you will study, or nearer the city centre. With a host of excellent options, you can choose your perfect location.

Which room is right for you?

There are lots of different room types to choose from – whatever your budget and preferences, we'll help you find a room that suits you.

We have a mix of shared bathroom facilities, en-suites, and studios. We also have a large selection of room types with either single or three-quarter beds. All self-catered rooms within flats have a shared kitchen and dining area as well.

For something more private you can opt for a studio – a completely self-contained study bedroom with kitchen facilities and a separate en-suite.

For more information please see our website: nottingham.ac.uk/accommodation

Much more than a room

Our Student Service Centres provide our students with guidance, advice and a range of support services such as finance, wellbeing, counselling, and more. You can always see them if you need any help or advice.

All accommodation sites have a security presence 24-hours a day so you can sleep soundly knowing that if you ever need help, they're only a phone call away.

On top of that, all halls have a management team available to fulfill your house-keeping, maintenance and delivery needs.

Contract information and fees

If you choose to live in catered halls then you have the choice of a 31-week or 39-week contract. If you would like to be self-catered then we have 44-week or 51-week contracts available.

The price of your accommodation will vary depending on your preferred type of catering, room type, and contract length. For a full breakdown, please visit our website: nottingham.ac.uk/accommodation

Length of contract	Meals included	Annual cost	Vacation terms
31-weeks	Catered: 19 meals per week	From £5,095.47	Move out during vacations
39-weeks	Catered: 19 meals per week during term time	From £6,015.36	Can stay during vacations
44-weeks	Self-catered	From £4,620	Can stay during vacations including part summer
51-weeks	Self-catered	From £5,202	Full year

* All prices are representative of the current year pricing structure and are subject to change in 2020/2021.

You're guaranteed a room in University-arranged accommodation for your first year*

You must firmly accept your offer to study with us, and apply by the deadline.

* Please see full terms and conditions at: nottingham.ac.uk/accommodation

* Veterinary Medicine students should check our website for additional information.

Discover your new home

There's no need to sign up for an accommodation tour – all our undergraduate halls on University Park and Jubilee Campuses are open for viewing, so just turn up to visit at a time that suits you, between 10am and 5pm, with last viewings at 4.30pm. The show flat at Sutton Bonington will be open from 9.30am-2.30pm. Staff and students will be there when you arrive to answer any questions, and tell you more about life in halls. There's also a stand at the Student Experience Exhibition (page 14).

At all our halls you'll be able to join an optional introduction to life in halls. Please see the Open Day Event Map for locations of all our halls, including the self-catered accommodation sites open on the day.

Our halls of residence are so much more than just a place to live.

They're the perfect base for exploring Nottingham – which is why we prioritise your health and happiness, safety and security.

A world within Nottingham city

Visit our vibrant and student-friendly city, where heritage and history meet modern culture.

If you want entertainment, you can visit Nottingham's multiple art galleries, theatres, cinemas and live music venues which showcase everything from independent and alternative to blockbuster and chart-topping. There are also lots of sports venues and facilities in and around the city if you want to try a new sport, or support a new team.

The city is consistently rated one of the best nights out in the UK, and there are a huge range of bars and restaurants to appeal to every taste, cuisine, and dietary need.

When it comes to shopping, there are high-end arcades and boutique shops to explore, as well as large shopping centres hosting high street favourites. There will also be an enticing new shopping centre in the Broadmarsh area of the city in 2021 bringing even more shops and restaurants.

Nottingham has something for everyone.

Our city

Nottingham is one of the **best and safest places for a night out***

* Purple Flag Award winner 2010-2019.

The city of Nottingham is one of the most **cost-effective places** to study in the UK*

* Natwest Student Living Index 2016.

The city centre is around **15 minutes from University Park Campus** by bus, tram or car

Experience our city for yourself

Hop on our free city bus tour

Student Life

Visit the **Welcome Zone** in Portland Building and discover more about student life in Nottingham.

Drop in to the Students' Union and find out about student groups, societies and volunteering. Take a self-guided tour of the Portland Building to see all the new facilities, services and spaces for clubs and societies.

10am-4pm. Welcome Zone, Portland Building, University Park Campus

The Students' Union is at the heart of student life. We're a brilliant and vibrant community of 34,000 students run by students, for students - and proudly independent from the University.

We're first-year students and PhDs, elected Students' Union Officers, staff, volunteers and pioneers. And we're all here to make sure you have the best possible time at University - from the day you accept your offer to the day you graduate. Welcome to your Students' Union!

Visit the Portland Building to find out about our activities, services and facilities. They fall into three main areas - **get involved** with our 200+ societies and student-run services, and over 100 volunteering opportunities; **make change** to your own student community through elections; and **find support** from Students' Union Advice or student groups like Night Owls.
